

Motor Vehicle Representative

“Equivalent to graduation from high school” means one of the following:

- Graduation from high school (completion of all requirements except for some small technicality is allowable with proof in writing from the high school)
- Passing the General Education Development (GED) or the California High School Proficiency Test
- Completion of at least 12 semester units or 18 quarter units from an accredited college
- Certification by the State Department of Education, a local school board, or high school authorities showing that you are considered to have the education equal to a high school education
- Completion of a business school program, such as those offered through the Manpower Development and Training Act
